RE: REQUEST TO SUBMIT GRANT PROPOSAL –

Dear

I am Theo Badenhorst, Chief Executive Officer of Africa Capacity Enhancement (ACE), a newly registered non-profit organization that strives to accelerate sustainable economic growth across Africa for the benefit of individuals, organisations and communities. ACE is situated in the beautiful Garden Route, South Africa.

We are excited to present our proposal to your Foundation and seek your support to make this initiative a reality. Our proposal aligns with your organization's priorities which focus on Please have a look at our three-minute video: <https://youtu.be/bMRH5oJzZK4> to understand our vision which we believe has the potential to make a significant positive impact on poor African countries. I am convinced that you will be the perfect cornerstone funder and partner for ACE and promise to make you proud should you decide to take us under your wing.

At ACE, we are committed to helping African businesses maximise their potential and become drivers in sustainable economic advancement across the continent. Our efforts are aimed at assisting companies to deal effectively with operational challenges and other training limitations to ensure ongoing improvement of every aspect and function of a company's activities. We are able to facilitate organization-wide asset management training and coaching – empowering people to excel in their careers and companies to achieve operational excellence. We envisage significant improvements in critical skills development, leadership practices, good governance, employment rates, higher wages and accelerated socio-economic progress in Africa.

We are seeking **funding to cover the cost** of appointing world class experts to launch asset management improvement processes at African companies that qualify for our programme. ACE will give priority to start-up and struggling businesses and individuals in poorer African Countries. A portion of the funding will be allocated to secondary courses and learnerships as well as to account for the expenses related to marketing actions in accordance with your requirements. **A list of the training and coaching which we provide is attached hereto**

We have a dedicated team of experienced professionals at ACE who are well-equipped to implement and manage this project successfully and we are committed to maintaining transparency and accountability throughout the project implementation process.

We have carefully designed our proposal based on extensive research and planning, and we are confident that our programme will elevate companies in Africa to equal international standards, increasing economic success and addressing poverty and critical infrastructure needs.

We are excited about the potential of this project and its alignment with your organization's priorities. We believe that with your support, we can make a meaningful difference and achieve our shared vision for a better future. For more information, kindly visit our website: www.afcap.org

We are available to provide any additional information or answer any questions you may have.

Thank you for your time in considering our proposal. We look forward to the opportunity to discuss our project further and to explore possible collaboration.
